Let's examine the new game and find the right rhythm that dances at the end of the week. You need to help DJ make rhythmic music so you can dance to that rhythm. Control the rhythm by the arrow keys to keep the lower indicator in the green area, indicating the right rhythm suitable for dance. The game lasts for several weeks and has several game modules. They are normal, heavy and simple. The game also has a training department where you can learn how to play this game properly. If you lose the rhythm, DJs turn on and lose the whole game.
